BEAUTY
FOR
NATURAL
STONE

- ◆ Eliminates Etching and Staining
- ◆ Brings out the natural beauty in stone
- ◆ Easily cleaned and maintained

TuffSkin
SURFACE PROTECTION

TuffSkin solves the marble etching and staining challenges that are inherent with the use of beautiful marble countertops.

TuffSkin does what traditional stone sealers have never been able to achieve:

- Prevents Etching
- Prevents Staining
- Prevents Stone from Scratching
- Heat Resistant
- Chemical and Odor Free
- Removable & Replaceable

TuffSkin works perfect in the following locations:

Residential • Hospitality • Commercial • Restaurant and Bar

Match the finish of your surface with our **TuffSkin Gloss**, **TuffSkin Satin**, or our **TuffSkin Matte** for a cleaner, safer stone top.

TuffSkin[®]
SURFACE PROTECTION

TuffSkin is a proprietary stone laminate made from high-tech polyester that is gas permeable but liquid impermeable.

The hard coat technology resists scratching, temperatures up to 204°C, and provides a longer product life.

TuffSkin adhesive is designed specifically to work with stone.

TuffSkin is the solution for making impractical stone practical.

**OVER 100,000 TOPS PROTECTED
IN THE LAST 15 YEARS.**

TuffSkin[®]
SURFACE PROTECTION

Seeing and feeling is believing.

REQUEST A SAMPLE

Ask for a sample stone protected with **TuffSkin** Satin or **TuffSkin** Gloss for your next project.

Test them with acidic liquids such as a real lemon wedge, or products notable to stain like wine, make-up, and coffee.

TuffSkin[®]
SURFACE PROTECTION

TuffSkin®
SURFACE PROTECTION

ENJOY YOUR EXOTIC STONE.

TuffSkin provides a 10-Year Performance Warranty against etching and staining.

Because the life expectancy of **TuffSkin** is directly related to use, **TuffSkin** is designed to be removed-and-replaced, and the choice to do so is based on an aesthetic determination.

Historically,

- **Hotels** replace every 8-10 years
- **Busy Restaurants and Bars** 1-5 years
- **Residential Customers** every 4-8 years

With the etch and stain protection, cleaning your surfaces is easy.

Just use any non-abrasive cleaner like our **TuffSkin Protectant Spray** with a soft microfiber cloth.

With no pores or veins exposed, **TuffSkin** makes surfaces very sanitary.
